

“The Pharaoh of old, haunted by the presence and increase of the children of Israel, submitted them to every kind of oppression and ordered that every male child born of the Hebrew women was to be killed (cf. Ex 1:7-22). Today not a few of the powerful of the earth act in the same way. They too are haunted by the current demographic growth, and fear that the most prolific and poorest peoples represent a threat for the well-being and peace of their own countries... Even the economic help which they would be ready to give is unjustly made conditional on the acceptance of an anti-birth policy.”

(St. John Paul II, *Evangelium Vitae* § 16)

**FROM MARGARET  
SANGER TO BILL  
AND MELINDA  
GATES, ABORTION  
IS RACIST  
EUGENICS**

## **Abortion is a tool for eugenics.**

Many know of the racist legacy of Margaret Sanger, the founder of Planned Parenthood, who once gave a talk to the KKK and helped promote the “Negro Project.” In her own words, “[Birth control] means the release and cultivation of the better racial elements in our society, and the gradual suppression, elimination and eventual extirpation of defective stocks— those human weeds which threaten the blooming of the finest flowers of American civilization.”<sup>1</sup> To this day, 79% of Planned Parenthood’s surgical abortion facilities are located within walking distance of African American or Hispanic neighborhoods.<sup>2</sup> Capitalists continue to say that a lack of “family planning” is the primary reason for poverty in communities of color, while capitalism itself has disproportionately enslaved, defrauded, and extorted these communities for centuries.

**Few know that this project is continued on an international scale by the enormous wealth of Bill Gates and other capitalists.** In 1965, the Rockefeller Foundation was a significant donor to the International Planned Parenthood Federation.<sup>3</sup> Today, the Bill and Melinda Gates Foundation has spent billions on population control in Africa and throughout the Third World.

Obianuju Ekeocha, author of *Target Africa*, wrote in her 2012 open letter to Melinda Gates: “Amidst all our African afflictions and difficulties, amidst all the socioeconomic and political instabilities, our babies are always a firm symbol of hope, a promise of life, a reason to strive for the legacy of a bright future. So a few weeks ago I stumbled upon the plan and promise of Melinda Gates to implant the seeds of her ‘legacy’ in 69 of the poorest countries in the world (most of which are in Sub-Saharan Africa). Her pledge is to collect pledges for almost \$5 billion in order to ensure that the African woman is less fertile, less encumbered and, yes, she says, more ‘liberated.’”<sup>4</sup>

Nearly a decade of this capitalist “liberation” has only resulted in consistently rising African debt to usurious international loans with no significant improvements to economic inequality. In fact, a 2017 United Nations report shows that the African countries with the *lowest inequality* are the ones with the *highest fertility* rates.<sup>5</sup> The slaughter of millions of unborn Africans has not produced a shred of prosperity.

The use of abortion for eugenics can also be seen in Iceland and other European countries. There, Down Syndrome has been “cured” by aborting any babies who test positive for the disorder.<sup>6</sup> Those who cannot efficiently contribute to the capitalist economy are not considered true human beings. But the mass murder of children in the womb—the disabled, the foreigner, the racially oppressed—will not last forever, “for the avenger of bloodshed remembers, He does not forget the cry of the afflicted” (Psalm 9:13).

“‘The voice of your brother's blood is crying to me from the ground’ (Gen 4:10). It is not only the voice of the blood of Abel, the first innocent man to be murdered, which cries to God, the source and defender of life. **The blood of every other human being who has been killed since Abel is also a voice raised to the Lord.**”  
(St. John Paul II, *Evangelium Vitae* § 25)
